WATERLOO HIGH SCHOOL

Waterloo, Indiana

ACHIEVEMENT

Achievement is that for which we are constantly striving, and once obtained, is the best reward for our endeavors. Throughout our years at Waterloo our goal has been to achieve only the best. Every year we have gained more knowledge and experience which have helped us to come a little closer to that goal.

In our high school years we have worked diligently and have been rewarded for our efforts with our class sweaters and rings, and our trip to Washington and New York. Then came graduation day. As each one of us stepped forward to receive his diploma, he knew that he had achieved one of the most valuable rewards of a lifetime.

Yet it is not the diploma or the class ring and sweater that is the greatest reward for our efforts. These are only symbols for the abstract qualities that have enriched our lives and will continue to do so for as long as we live. The education that we have received has unlocked for us the door to the great achievements of mankind. The door to democracy was also unlocked for us by our education.

Of the important by-products of our education, the friendships we have made mean the most to us. We shall always cherish our friendships with our fellow students and carry with us fond memories of our school years at Waterloo.

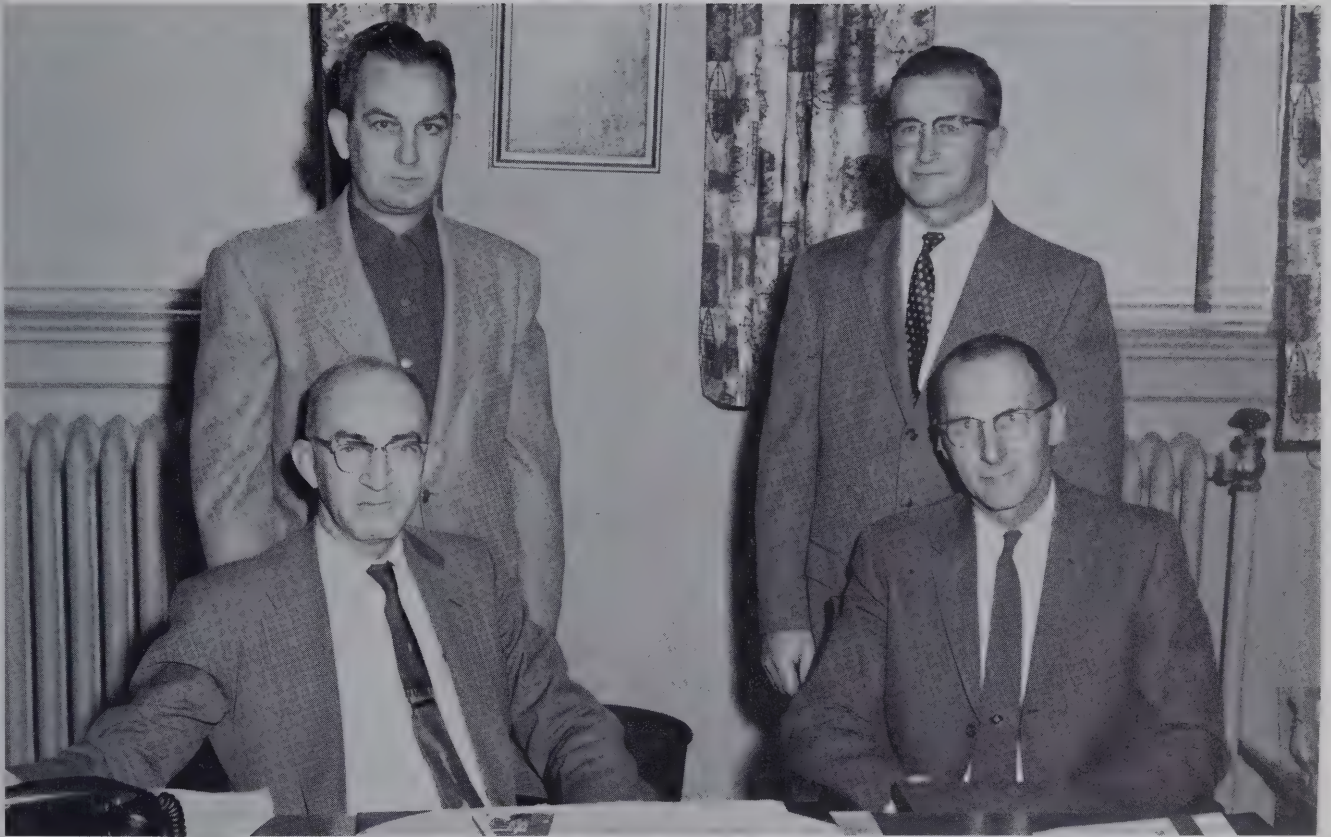

DEDICATION

In 1950 Mrs. Robert Love joined the teaching staff of Waterloo High School. Since then she has gained the respect and confidence of all who know her. She is a friend, companion, and good sport as well as an excellent teacher.

The Senior Class of 1960 has a deep respect and admiration for Mrs. Love. She has given much of her time and talent in helping us to produce our very successful Junior and Senior class plays. As our class sponsor she guided us through a successful senior year and made it a year we will long remember.

For all of these and many other memorable experiences we have shared, we, the Senior Class, as a small token of our appreciation and thanks, do hereby dedicate the 1960 "Rosebud" to our beloved Mrs. Love.

SCHOOL BOARD

Seated:

Edward C. Barton - - - - School Superintendent

Wayne Voss - - - - - Secretary

Standing:

Walter Haislip - - - - - Treasurer

Donald Myers - - - - - President

Mr. Myers and Mr. Voss are both farmers in the Waterloo community. Mr. Voss is also trustee of Grant Township. Mr. Haislip is one of the local barbers.

The Town Board appoints the president and treasurer for a term of two years. The secretary is elected for a term of four years.

MARILYN GURTNER

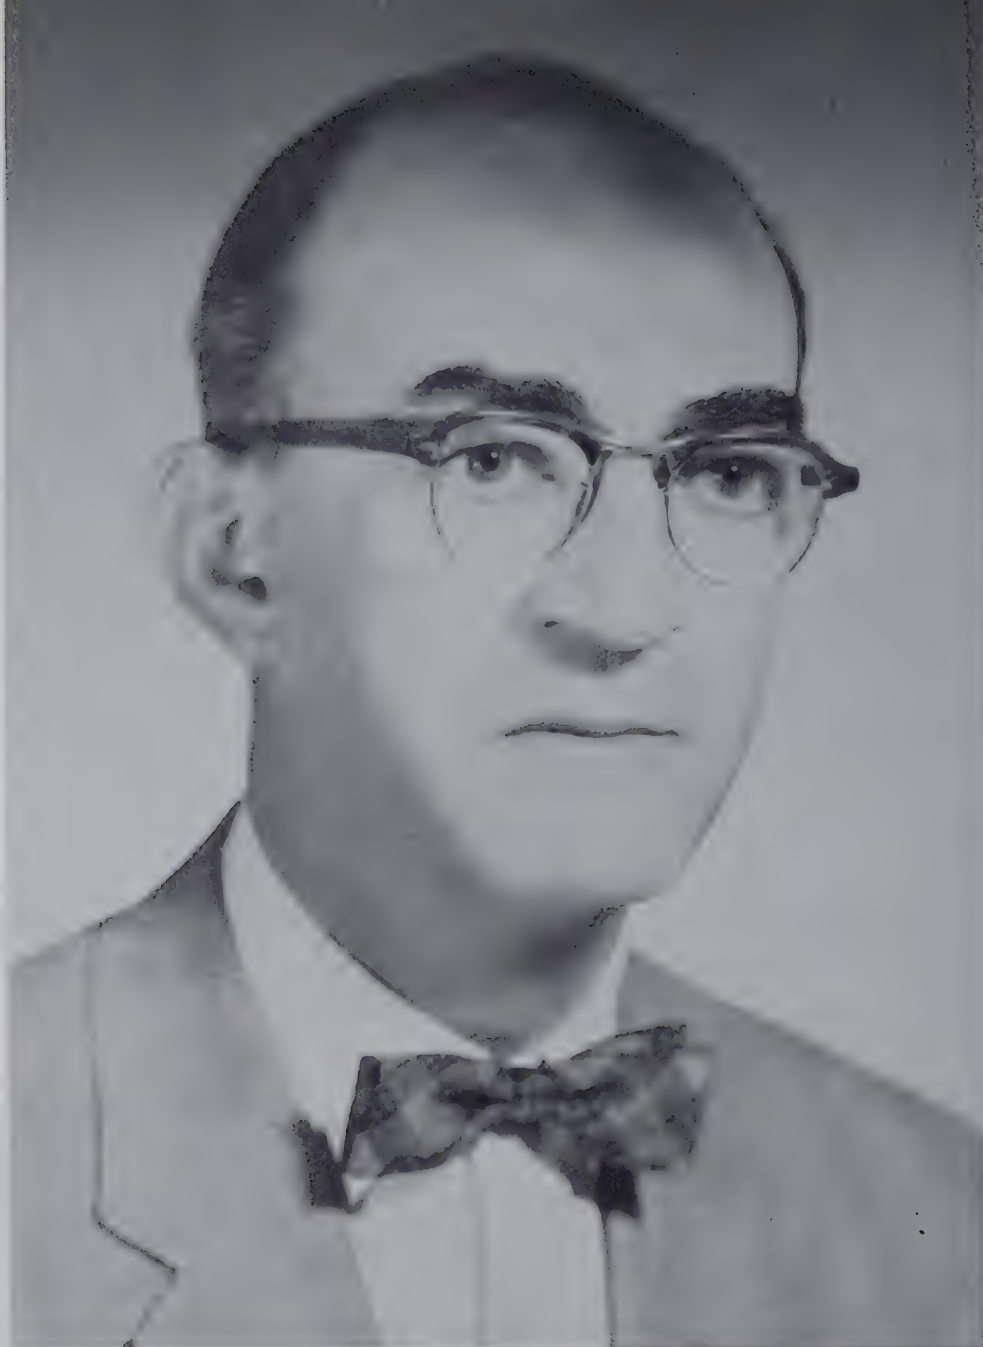

Mrs. Gurtner is our school secretary, which position she has held for two years. Marilyn has been vitally important to our school in helping to keep it running smoothly and efficiently. She graduated from Waterloo High School with the class of 1954.

ESTHER NESSEL

Mrs. Nessel is the DeKalb County School Nurse. This is the second year she has held this office. Mrs. Nessel visits our school as often as she is able and gives vision and hearing tests, checks teeth, and assists with Patch tests for Tuberculosis.

SUPERINTENDENT'S MESSAGE . . .

Congratulations to the Senior Class, the "Rosebud" staff, and the sponsors for a fine achievement in this year's school annual. It is my hope that the learnings you have received and the sense of accomplishment experienced are sufficient reward for your many hours of cooperative effort. Surely this pictorial record of your final year of high school living will bring you many hours of future pleasure.

In saying "God-Speed" to the Class of 1960, I have no magic formula or key to success to offer you. Try to develop a plan for your future and to find a purpose in what you do. Keep in mind that "One Perfect Life" and consult often the Book in which it is recorded. May you experience success and happiness and be of service to your fellow man.

Edward C. Barton

Edward C. Barton

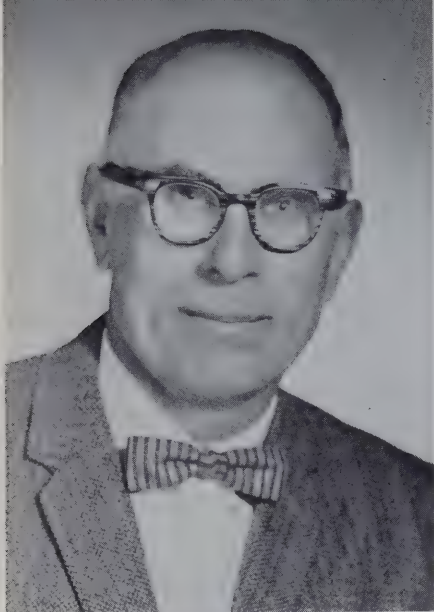

PRINCIPAL'S MESSAGE . . .

Your days at Waterloo High are full of experiences - many of which are recorded in this "Rosebud." May these experiences fit you for future responsibilities as active participating citizens of your community. Within the halls of Waterloo School the basic skills of learning have been yours to acquire. Those skills are vividly in the background of the activities portrayed in this "Rosebud." All are a means of expression - whether in thought, word, or deed.

To the Class of 1960 - Good Luck, and my sincere best wishes for the future. May I commend highly the "Rosebud" staff for their efficient work in recording for the future these experiences of Waterloo High School. They have become a part of each and every Waterloo High Student.

CLASS OF '60 HISTORY

In 1948, forty-one bright-eyed, mischievous little children entered the door of Waterloo school. Out of this group twenty-two of them spent all of their school years at Waterloo. After eight years of hard work and fun we finally reached our eighth grade promotion.

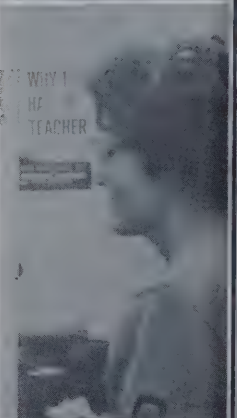

At last we began our Freshman year. Mrs. Voss was our sponsor that year. We started our money-making projects for our Senior trip by selling candy and having skating parties.

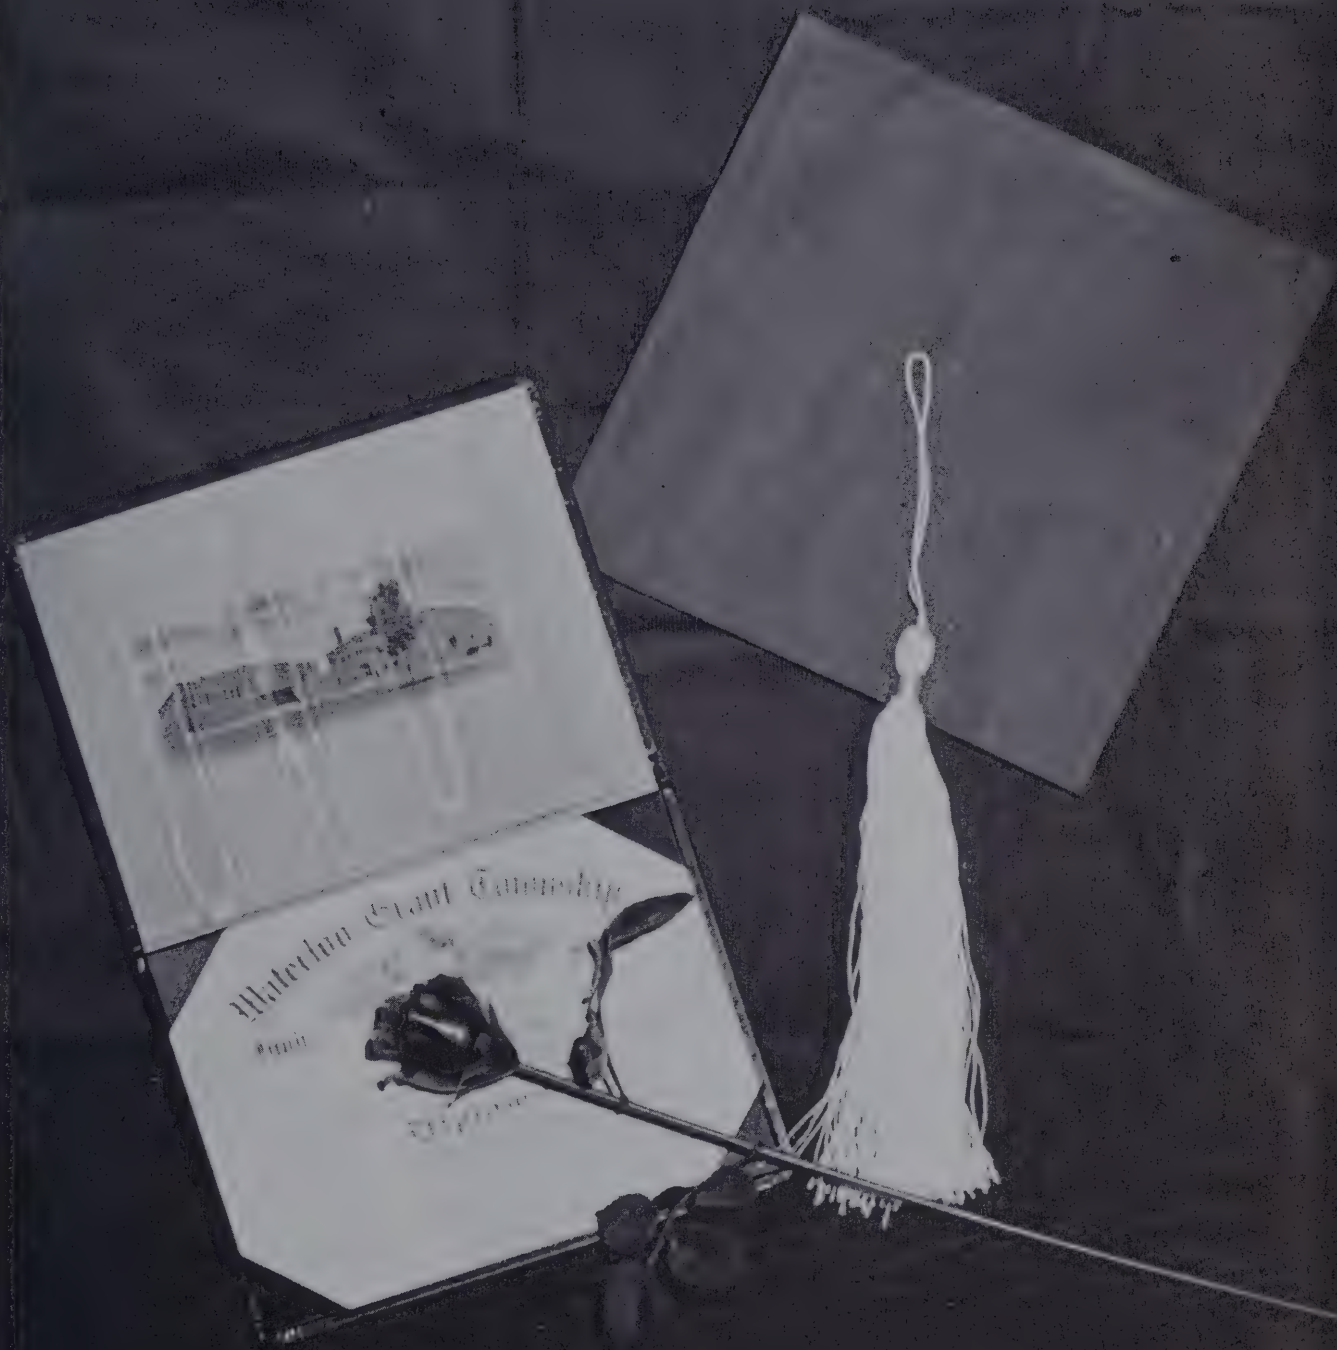

In our Sophomore year our sponsor was Mrs. Peacock. Shortly after school convened, Mrs. Peacock took a leave of absence. Mr. Berg took over the responsibilities of the Sophomore Class. At this time the main project of the class was the sale of greeting cards. Under his supervision the sales were exceptionally good. Mrs. Peacock returned after eight weeks. Other projects that year were skating parties and a bake sale. We got our class sweaters also.

In our Junior year Mr. Ford led us through a pleasant and successful year. Our main projects were the concession stand and the sale of pop. We also had bake sales, several sock hops, a car wash, a skating party, a WPTA record hop, and a most successful class play, "Home Sweet Homicide," under the direction of Mrs. Love. We also purchased our class rings. Just after school closed the class had an ice cream social and bake sale.

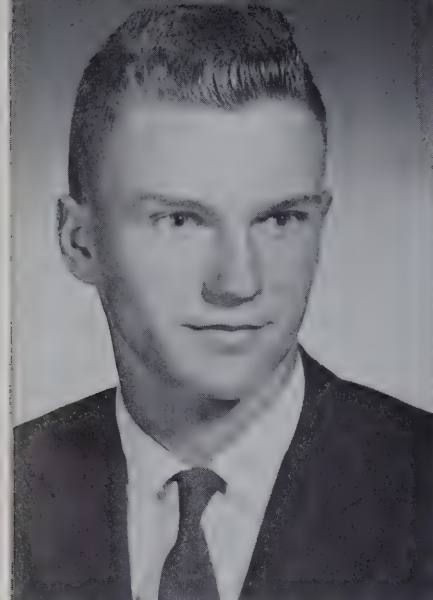

Finally with hearts filled with joys, disappointments, and hopes for the future, we entered our Senior year. Mrs. Love, our sponsor, guided us through this, our most important and successful year. This year we sponsored the annual magazine sale, a bake sale, a homecoming dance, several record hops and paper drives and another successful class play, "Belvedere." We also published our annual.

After twelve years of struggle, we finally reached our goal - graduation and the long awaited Senior trip. We wish to thank our parents and teachers and all of the other people who have made this goal possible. We also want to thank Mrs. Love and Mr. Bourquin for being our chaperones. Our trip exceeded all our expectations.

CLASS SONG

(To the tune of Waterloo)

We are seniors,
And we're happy you can bet,
Cause we broke
Every record that's been set.
Worked together
In our projects it is true,
and we're, oh, so glad
That we're from Waterloo.

Now our years of
Education here are past,
and we're going into
The "big wide world" at last.
We'll remember all
The years we've spent and too,
We will always boast
That we're from Waterloo.

Waterloo, Waterloo,
We will boast, "We're from Waterloo."
Though next year we'll all be gone,
Our memories will linger on
Of the happy years
We spent at Waterloo.

WILDCAT COACH

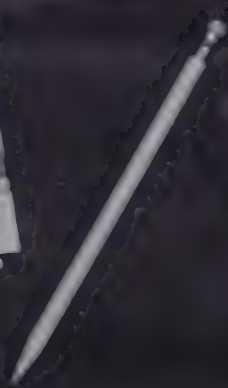

Richard Bourquin received his high school education at Bryan, Ohio. Furthering his education, he attended the University of Toledo where he received his B. S. degree.

Mr. Bourquin has taught school for eight years, five of which were here at Waterloo. He teaches U. S. History, civics, boys' physical education and health and coaches the baseball, track, and varsity basketball teams. His hobbies include sports and watching television.

"Coach," with his ability to train and discipline the boys, created a team of which the fans were very proud this year. Our school has always been known for its good sportsmanship, and the coach has played a big part in maintaining that record by keeping us in the proper school spirit and showing us fair play.

To Coach Bourquin - our thanks for one of the most successful seasons the Wildcats have had for many years.

WILDCATS VICTORIOUS SECTIONAL TOURNEY 1960

In this, the 1960 "Rosebud," we have tried to show you in pictures some of the many achievements of our High School years at Waterloo. One of our greatest achievements was the winning of the 1960 Sectional Tournament.

Under the capable coaching of Richard Bourquin, the Wildcats clawed their way through the Sectional Tournament to victory over Garrett in the finals. Our first tourney game was played against Butler. Although Butler was a real threat, the Wildcats chewed them up with a 62-56 victory. Waterloo made good use of their free throws, missing only 7 out of 31. Carroll took high scoring honors for the game with 24 points.

On Saturday the scene of action was shifted to Churubusco. We met the Orland Tigers in the first afternoon game. Our Wildcats growled and hissed, and purred right past the Orland Tigers. The score was 69-49. Winning that game put us in the finals of the Sectional.

Saturday night the Garrett Railroaders, who earned their place in the finals by defeating the Angola Hornets, were thrown into the arena with the Wildcats. The game with Garrett was full of thrills and excitement down to the last second. The Waterloo Cats were off to a good start and secured a ten-point lead in the second quarter. The Garrett Railroaders chugged ahead and came out with a one-point lead at the end of the third quarter. During the final quarter, possessed with great determination combined with skill, our team piled up seven points in the last minute and one-half, while holding Garrett scoreless. Waterloo clinched the Sectional - for which they had been working since the age of six (according to Larry Brandon) with a final score of 39-34.

This is the first sectional tournament ever won by Waterloo, and the first time in twenty years that the Wildcats have played in the final game of the sectional tourney. In 1940 they played Garrett and were defeated.

The wonderful spirit, the determination on our boys' faces, the fun, the laughter and tears - these will stay in our memory of the 1960 Sectional Tournament.
